MEMORANDUM FOR 

25X1A8a

SUBJECT: Compilation of Soviet Abbreviations

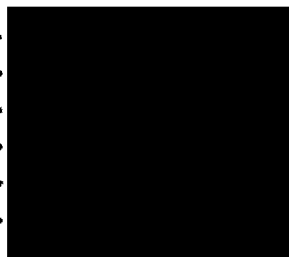

1. Examination of German documents captured during World War II has produced a German compilation of Soviet abbreviations. The compilation was dated 20 February 1941 and included a German transliteration of each abbreviation as well as a German translation of each term.

2. The documents are in the custody of the Federal Records Center, Alexandria, Virginia where the compilation may be examined by referring to OKW/25. A reproduced copy of this document is attached.
